 2. We did not deserve this salvation and could never obtain it
 3. He has made this salvation available for all people as a free gift
- II. The Grace Of God Trains Us To Live Godly Lives In This Decadent Age (12)
 1. It trains us to renounce the evil way of living the world follows
 - a. we no longer live as though God doesn't exist or matter
 - b. because of Him we reject sinful pleasures others pursue
 2. It trains us to live lives that are devoted to God
 - a. lives that are self-controlled.
 - b. lives that are filled with righteous behavior
- III. The Grace Of God Causes Us To Look Confidently For The Coming Of Jesus (13)
 1. He is our God and our Savior!
 2. His appearing is our blessed hope!
 3. His appearing will reveal His glory in all its fullness!
- IV. The Purpose Of Jesus' Gracious Self-Sacrifice (14)
 1. To release us from all lawless behavior
 2. To purify us to become His very own people - 1 John 3:3
 3. To create in us a zeal to do good works
- V. God's Instructions To Us Are To Be Declared With Authority (15)
